#### § 40.45 Alternate methods or procedures.

A manufacturer of tobacco products, on specific approval by the appropriate TTB officer as provided in this section, may use an alternate method or procedure in lieu of a method or procedure specifically prescribed in this part. The appropriate TTB officer may approve an alternate method or procedure, subject to stated conditions, when he finds that—

(b) The alternate method or procedure is within the purpose of, and consistent with the effect intended by, the specifically prescribed method or procedure, and affords equivalent security to the revenue, and

Where a manufacturer desires to employ an alternate method or procedure, he shall submit a written application to do so, in triplicate, to the appropriate TTB officer. The application shall specifically describe the proposed alternate method or procedure, and shall set forth the reasons therefor. Alternate methods or procedures shall not be employed until the application has been approved by the appropriate TTB officer. The manufacturer shall, during the period of authorization of an alternate method or procedure, comply with the terms of the approved application. Authorization for any alternate method or procedure may be withdrawn whenever in the judgment of the appropriate TTB officer the revenue is jeopardized or the effective administration of this part is hindered. The manufacturer shall retain, as part of his records, any authorization of the appropriate TTB officer under this section.

Failure to comply in good faith with such procedures, conditions, and limitations shall automatically terminate the authority for such variations and the manufacturer thereupon shall fully comply with the prescribed requirements of

regulations from which the variations were authorized. Authority for any variations may be withdrawn whenever in the judgment of the appropriate TTB officer the revenue is jeopardized or the effective administration of this part is hindered by the continuation of such variation. Where a manufacturer desires to employ such variation, he shall submit a written application to do so, in triplicate, to the appropriate TTB officer. The application shall describe the proposed variations and set forth the reasons therefor. Variations shall not be employed until the application has been approved. The manufacturer shall retain, as part of his records, any authorization of the appropriate TTB officer under this section.
